

P.A.R.T.S. IS CALLING FOR NEW STUDENTS TRAINING CYCLE 2022-2025 BACHELOR IN CONTEMPORARY DANCE BRUSSELS

PARTS is an internationally oriented school for contemporary dance in Brussels. The student community consists of about 50 students with diverse backgrounds. PARTS offers the Bachelor program Training (3 years) for dancers and choreographers and the Master program STUDIOS (2 years) for choreographers. PARTS is strongly anchored in the professional dance scene. PARTS was founded in 1995 and is directed by choreographer Anne Teresa De Keersmaeker. The school is part of a dynamic artistic campus which also houses the Rosas dance company and the contemporary music ensemble Ictus.

WHAT DOES TRAINING (BA) OFFER?

A program rooted in Western traditions and ideas, which actively includes other voices and approaches. A solid and diverse dance technique. An embodied insight into composition, improvisation and repertoire. Learning to think and write critically in theoretical seminars. The experience of developing one's choreographic voice. Intense engagement with music and theater.

WHAT IS THE WORKLOAD?

Training (BA) is a full-time program that lasts 3 years. It demands a daily physical and intellectual engagement from its students.

WHAT IS THE WORKING FORMAT?

Most of the classes are collective. There are no separate study tracks for dancers and choreographers, assuming that a dancer nowadays has to be a creator, and that a choreographer's craft is rooted in the physical work in the studio. In the 2nd and the 3rd year, there is increasing room for individual choices.

WHO IS IT FOR?

The Training (BA) students are between 18 and 23 years old when they start, and have a good active knowledge of English (B2 or higher in CEFR scales). PARTS welcomes students from any cultural, ethnic and social backgrounds and from any gender identity.

STUDY COST AND SCHOLARSHIPS

The one-time registration fee is 4500 €. The annual tuition fee is 2500 €. To allow democratic access for talent from different socio-economic backgrounds, PARTS offers a number of scholarships.
